---

PROFESSIONAL SUMMARY

Computer Science student interested in backend and full-stack development. Hands-on experience building web applications and REST APIs using Python, Flask, React, Java, and Spring Boot. Familiar with databases, Git, Docker, and deploying web applications. Looking for an entry-level opportunity to apply my skills and gain practical industry experience.

TECHNICAL SKILLS

- **Languages:** Java, Python, JavaScript, TypeScript, SQL, HTML, CSS
- **Frameworks:** React.js, Flask, Spring Boot.
- **Databases:** MySQL, PostgreSQL, SQLite
- **Tools:** Git, GitHub, Docker, Postman, VS Code.
- **Other:** REST APIs, Leaflet.js, Vite.

PROJECTS

CLARIFYX – AI-Based Digital Threat Detection System
(https://github.com/sastivelan55-star/Clarifyx.git)
Tech Stack: React, Python, Flask, REST APIs, Cybersecurity Fundamentals

- Developed a cybersecurity web application for analyzing phishing links, suspicious messages, manipulated media, and AI-generated voice indicators.
- Built the backend logic to analyze different threat indicators and generate a risk score with supporting details.

MALAI VIZHI – Landslide Risk Monitoring & Early Warning System
(https://github.com/sastivelan55-star/Malai-vizhi.git)
Tech Stack: React, TypeScript, Python, Flask, SQLite, Leaflet.js, REST APIs, PWA

- Developed a web-based landslide risk monitoring platform combining rainfall, soil moisture, terrain/slope, and historical hazard data.
- Built RESTful APIs using Flask to execute multi-factor empirical risk analysis and serve structured geospatial data to the frontend.

KIZUNA – AI-Assisted Task Management Platform
(https://github.com/sastivelan55-star/kizuna.git)
Tech Stack: React, Spring Boot, PostgreSQL, Gemini AI API, Docker, REST APIs

- Designed and built an AI-assisted web application, defining application architecture, database schemas, and REST API flows.
- Integrated Google Gemini AI API with backend error handling to manage edge cases and service timeouts gracefully.

EDUCATION

Bachelor of Science in Computer Science (B.Sc. CS)
Rathinam Global University College, Bharathidasan University
2026 – 2028 | **CGPA: 8.0 / 80%**

LANGUAGES

- **Languages:** English, Tamil
